Thank you Jason!

Good Morning Ann,

I tried to reach you on your cell. All we need is for the assistant to get tested for covid and have negative results.

Feel free to call me with any questions.

Thank you!
Carolyn

Hi Carolyn,

Let me know what you need from me to allow the assistant access. If it is easier to discuss, I am free until noon tomorrow then after 2 and can be reached on my cell.

Best,
Ann

Ann,

I am including the new DEA supervisor in this message (Carolyn). Carolyn spoke to me today and said the representative who is scanning the materials Dr. Nikparvar-Fard requested is offering to bring an assistant to speed up this process.

Carolyn would like to give that person access to the materials provided he/she can get a COVID test before coming to DEA. Can you please touch base with Carolyn to iron out that issue.

Thanks,
Jason
